

# Validation Olang Winter Card

Winter holiday in Olang – the first choice!

## Skibus

**Validation only once at first use**

**Where?** Green devices at the skibus stop Tourist Info Olang or at the front door of the skibus.

**How to?** Insert the Card with the magnetic stripe on the left side. You are not required to indicate your destination.

**Period of validity?** The Winter Card will be valid for seven calendar days from the day of first use. The expiry date will be printed on your card at the first validation.

## Bus, Citybus & train

**Validation at the beginning of each journey** (remember to validate your ticket before boarding when travelling with trains or ropeways). You are not required to indicate your destination.

**Where?** Blue devices in the waiting rooms or subways of the train stations. When travelling on bus or Citybus You'll find the device for validation near the bus driver.

**How to?** Insert the Card at the beginning of each journey with the magnetic stripe on the left side; remember to validate your ticket before boarding when travelling with trains or ropeways. You are not required to indicate your destination.

**Period of validity?** The Winter Card will be valid for seven calendar days from the day of first use. The expiry date will be printed on your card at the first validation.

Children aged 0-6, buggies and luggage are carried free of charge. The Olang Winter card is **not valid** for the carriage of animals (except guide dogs and small animals) and the bicycle transport, for them an extra ticket is needed.
